

## **Vision**

Initiated by a group of like-minded individuals from industry, State agencies, academia and industry supported networks with a vision for ***Ireland to be a global leader in Lean Enterprise Excellence driving Ireland's Competitiveness.***

## **Strategic Objective**

To position Ireland as a recognised global leader in Lean Enterprise Excellence through the performance of Ireland's business ecosystem, driving competitiveness using continuous improvement approaches.

## **Pillars**

This strategic objective will be driven through 5 pillars:

### **1. Leadership**

- Provide leadership to foster personal and organisational excellence amongst all those involved in lean Ireland

### **2. Practice**

- Showcase exemplary practice and capabilities across the national ecosystem

### **3. Engagement**

- Drive brand awareness of Ireland as a leader in lean enterprise excellence

### **4. Education, Training & Development**

- Promote the continuous advancement in fit-for-purpose teaching, training and consultancy

### **5. Research**

- Enable the advancement of next generation thinking and practice
